

## EU Declaration of Conformity

**Document No.:** SS-DOC-BML09-001  
**Revision:** C  
**Issue Date:** 23.07.2026

### 1. Manufacturer

Solar Solutions AG  
Riedweg 3  
6418 Rothenthurm  
Switzerland

### 2. EU Authorised Representative

Apex Power Supplies BV  
Mercuriusplein 40  
2685 LP Poeldijk  
The Netherlands

### 3. Product Family

AEG AC Coupled Plug-In Battery Energy Storage System

### 4. Covered Products

| Component                                                | Models           |
|----------------------------------------------------------|------------------|
| Battery Control Module (CM)                              | AS-BML09-CM      |
|                                                          | AS-BML09-CM-1.0K |
|                                                          | AS-BML09-CM-1.2K |
|                                                          | AS-BML09-CM-1.6K |
|                                                          | AS-BML09-CM-2.0K |
|                                                          | AS-BML09-CM-2.4K |
| Battery Module (LiFePO <sub>4</sub> , 4800Wh/100Ah, 48V) | AS-BML09-4.8K    |

### 5. Declaration

This declaration of conformity is issued under the sole responsibility of the manufacturer. The object of the declaration described above is in conformity with the relevant Union harmonisation legislation:

- Directive 2014/53/EU (Radio Equipment Directive)
- Directive 2011/65/EU (RoHS), as amended by Commission Delegated Directive (EU) 2015/863

## 6. Harmonised Standards

| Requirement                                               | Standards                                                                |
|-----------------------------------------------------------|--------------------------------------------------------------------------|
| RED Art.3.1(a)                                            | EN 62109-1:2010<br>EN 62109-2:2011<br>EN IEC 62311:2020<br>EN 50665:2017 |
| RED Art.3.1(b)                                            | ETSI EN 301 489-1 V2.2.3<br>ETSI EN 301 489-17 V3.3.1                    |
| RED Art.3.2                                               | ETSI EN 300 328 V2.2.2                                                   |
| RED Art. 3.3(d) – Protection of the Network               | EN 18031-1:2024                                                          |
| RED Art. 3.3(e) – Protection of Personal Data and Privacy | EN 18031-2:2024 (if applicable)                                          |
| RoHS                                                      | IEC 62321 series                                                         |
